UNIVERSITY OF SOUTH DAKOTA KNUDSON SCHOOL OF LAW
STATEMENT OF RECIPROCITY

The Career Services Office of the University of South Dakota Knudson School of Law provides reciprocal services to law students and alumni of other ABA accredited law schools under the following guidelines:

1. Services are available only to students whose law schools grant reciprocal privileges to students and graduates of the University of South Dakota Knudson School of Law.

2. Reciprocity is granted on a case-by-case basis. The University of South Dakota Knudson School of Law reserves the right to deny or terminate reciprocity for any reason. Services may be denied to students/graduates of any school seen to surpass a reasonable number of requests or which limits the number of requests by the University of South Dakota Knudson School of Law students or graduates, or to individuals who misuse the facilities, services or staff.

3. Requests for services must be made in writing by a career counseling official of the requesting law school. The written request should include a copy of the requesting school’s reciprocity policy.

4. Reciprocity students are permitted access to services for three months from the date of approval. Reciprocity students will receive access to the University of South Dakota Knudson School of Law’s password-protected job listings if the requesting school allows University of South Dakota School of Law students access to their online job database. In-office use of resource materials and handouts in the Career Services Suite is also permitted. Resources are not available to be checked out. (When applying to employment notices listed with the University of South Dakota Knudson School of Law, applicants must indicate in their cover letter that they obtained the information through a reciprocal agreement between the applicant’s law school and the University of South Dakota Knudson School of Law.)

5. Services not available to reciprocity students/graduates include: individual counseling or advising; participation in On-Campus Interviews (OCIs) and access to job listings or contact information of employers participating in the OCI program; access to telephones or faxes; participation in job fairs, information sessions, or workshops; and resume/cover letter reviews.

6. The University of South Dakota School of Law reserves the right to alter the terms of this policy without advanced notice.
