PURPOSE

The University of South Dakota (USD) Panhellenic Council (PHC) exists to develop and maintain fraternity life and interfraternal relations, as well as serve as the coordinating body for member recruitment at USD. The following are the USD Panhellenic Council Recruitment Rules which represent the standards and policies for member recruitment at USD. It will be each Panhellenic sorority’s responsibility to uphold these standards and ensure their individual members/alumnae/representatives adhere to them as well. All members (including participating alumnae and new members) are responsible for knowing and adhering to the recruitment standards and policies.

DEFINITION OF TERMS

**Bid:** A bid is defined as a verbal statement or written note alluding to the fact that a PNM will be invited back to the chapter. Bids, whether verbal or written, are not to be issued by any sorority member prior to the official bid awards by Panhellenic on Bid Day of Fall Formal Recruitment.

**Bid Matching:** The process of comparing PNM and individual chapter preferences to determine sorority membership.

**Continuous Open Recruitment (COR):** The process individual chapters go through to reach chapter total outside of the formal recruitment period. COR can begin immediately following the formal recruitment period, throughout the Fall and/or Spring semesters. During COR, bids can be extended verbally or in writing.

**Formal Recruitment:** The process where the USD Panhellenic sororities join together to recruit new members into their chapters. Formal Recruitment lasts three days and consists of different "rounds" where the potential new members and sorority chapters get acquainted. Through a process of mutual selection (by potential new members and the sororities), the potential new members have the opportunity to join the chapter that best fits their interests.

**Membership Recruitment Acceptance Agreement (MRAA) Form:** A binding agreement signed by Potential New Members on preference day and kept on file by the Sorority and Fraternity Life Office. By signing this document, the Potential New Member is committing to any chapter, regardless of if they choose to affiliate or not, that they matched to during formal recruitment for one calendar year.

**NPC Unanimous Agreements:** Rulings determined by the National Panhellenic Conference, and agreed upon by representatives from all the National Panhellenic Sororities. These must be followed by all Panhellenic Council Sororities.

**Panhellenic Recruitment Exec:** The executive officers for Panhellenic. These women shall serve as the recruitment assistants to the Panhellenic Council during recruitment and shall disaffiliate from their chapter.

**Potential New Member (PNM):** Any person that meets the eligibility requirements for USD Panhellenic Recruitment as described above.

**Quota Range:** The number of Potential New Members (determined at the end of recruitment) that each chapter is allowed to take during formal recruitment regardless of a chapter’s total membership number. Every chapter is entitled to bid the same quota number which is determined by the Fraternity/Sorority Life Advisors following NPC guidelines following the final invitational round.

**Recruitment Infraction or Violation:** A recruitment violation is failure to uphold the USD Panhellenic Council recruitment policies and/or violation of an NPC recruitment policy.

**Release Figures:** Are used to determine the number of PNMs that each recruiting chapter must release from contention after each round of formal recruitment. Release figures are used to ensure the most positive and realistic recruitment experience for both PNMs and individual chapters.

**Gamma Chi:** Recruitment Counselors selected by individual chapters to facilitate the formal recruitment process and serve as a liaison between PNMs and the Panhellenic Council.

**Silence:** Silence means no conversation related to recruitment or contact between PNMs and initiated members in a way that disrupts the spirit of recruitment. PNMs may not discuss sorority membership with other PNMs as each woman should make an independent decision through the formal recruitment process.

**Snap Bidding:** The process that chapters who have not met quota after bid matching use to extend membership bids to women who have been released from recruitment. Snap bidding occurs immediately following bid matching until one hour prior to giving out bids.

**Total:** All chapters, regardless of their size going into formal recruitment, are allowed to pledge up to the quota. To allow groups to achieve parity as quickly as possible at the conclusion of primary recruitment, total will be adjusted annually no
later than 72 hours following bid distribution, and will be based on average chapter size at that time. Panhellenic will reserve the right to reassess this campus total if necessary utilizing one of the acceptable alternatives according to the NPC Manual of information. Chapters who reach total through formal recruitment or at any other time throughout the year may not participate in Open Recruitment unless their membership falls below total. If a chapter's total membership is still below the chapter total set by Panhellenic, the chapter may continue pledging during Continuous Open Recruitment until chapter total is reached. The campus total will be reset to the average chapter size following Formal Recruitment.

Vacancy: A vacancy occurs when a member either withdraws from the university or de-pledges the sorority, graduates or is granted alumnae status, or the sorority terminates her membership and the member leaving brings the chapter below total.

Web Postings: Internet forums, weblogs, message boards, Web sites and social networking services such as, but not limited to, Facebook, twitter, myspace, blogspot, greekchat, live journal, etc., that are public venues and potentially read by thousands of people daily, including PNMs, new members, alumnae and parents.
