Setting Up Your Online Fusion Account

Make registration easy by registering online! If this is your first time registering, you will need to set up an online account before you sign in. Follow the directions below to get your account ready to use!

1. Go to wellness.usd.edu to get to our Fusion website.
2. Click on the “Sign Up or Log In” link in the top right hand corner.
3. You do not need to set up a new account if you already are affiliated with USD. You will just use your USD username and password to log in. USD affiliates should click on the “Use Credentials” link to log in.

If you are a USD Wellness Center member and not affiliated with USD, you will need to create a new account or log in if you have already created an account. Click on “Sign Up” or if you have already created an account and don’t remember your password, click on “Click Here” to get your password reset.

**If you are having any issues, please call 677-8803 and the staff can assist you. Please do not wait until the opening day of registration as staff may not be able to assist you and you may not be able to register for the class you need. **

4. Once you are logged in, please verify your contact information is up to date and all of your children are added to your profile. Click on your username in the top right corner.
5. Look at your contact information and make sure there is a phone number and email added to your account. If you need to update information, please email us at wellness.usd.edu.

6. Scroll to the bottom of the page to the Dependents section and click on “Add New Dependent.”

   ![Dependents](image)

   - Add a new dependent

7. Add all dependents you are registering for lessons.

8. Once you are finished registering everyone, you are ready to log until the day of registrations.

Day of Registration

1. Log into your account.
2. Click on Aquatics
3. Click on Swim Lessons on the left and choose the session you want to register for.
4. A pop up box will open. Choose the child you want to register.

5. Choose “Accept waiver later.” (The online waiver is a new feature we are in the process of setting up.)

6. Once you have confirmed you have the right child in the right class, click on “Add to Cart.”

7. If you have additional children to enroll, click on “Continue shopping.” If not, click on check out.

8. You will then be sent to the external “Authnet” site to pay via credit card.

9. Once you are registered, our software will send you a confirmation and/or receipt. Please make sure you receive this to ensure you are enrolled in the class.
